

Eagle Lake Sports Association
P.O. Box 1126
Eagle Lake, FL 33839

Eagle Lake Sports Association needs your help! As parents of children participating in the 2020 spring and fall seasons, we are looking towards the future in preparing our fields to be the best that they can be. We need major renovations to our four fields in order to make them more enjoyable and safer to play on. Our main concern is the increasing levels of elevated turf around the base pads on all of our fields. The board has explored options in renovating the fields and with the help of a partnering sponsor we can repair the fields for approximately \$20,000. The renovations will cost roughly \$5,000 per field.

This is an exciting time for our park as our baseball program has become known as being among one of the best in the area. Even more exciting to us is that our participating families have garnered the same reputation as the quality of baseball. It is a privilege for our children to be able to play in such a great environment. The board cannot express enough gratitude towards each of you for your time and efforts.

The excitement for a great spring and fall for 2020 is real, but so are the expenses!

Would you please consider making a Tax-Deductible gift to Eagle Lake Sports Association to help cover some of the costs for our field renovation project? The league or The City of Eagle Lake does not cover these renovation costs, so we depend on the generosity of people like you to make this possible for the children.

Checks can be made payable to ELSA and either mailed to the address above or given to an ELSA board member. Please be sure the memo field of the check reads: "Field Renovations" to ensure your generous donation will go towards the appropriate account.

Thank you for even considering helping our kids,

Eagle Lake Sports Association Board
